

How to find us

Kent Enterprise Trust is committed to reducing environmental impact by encouraging and supporting visitors to use environmentally friendly methods of travelling to the facilities.

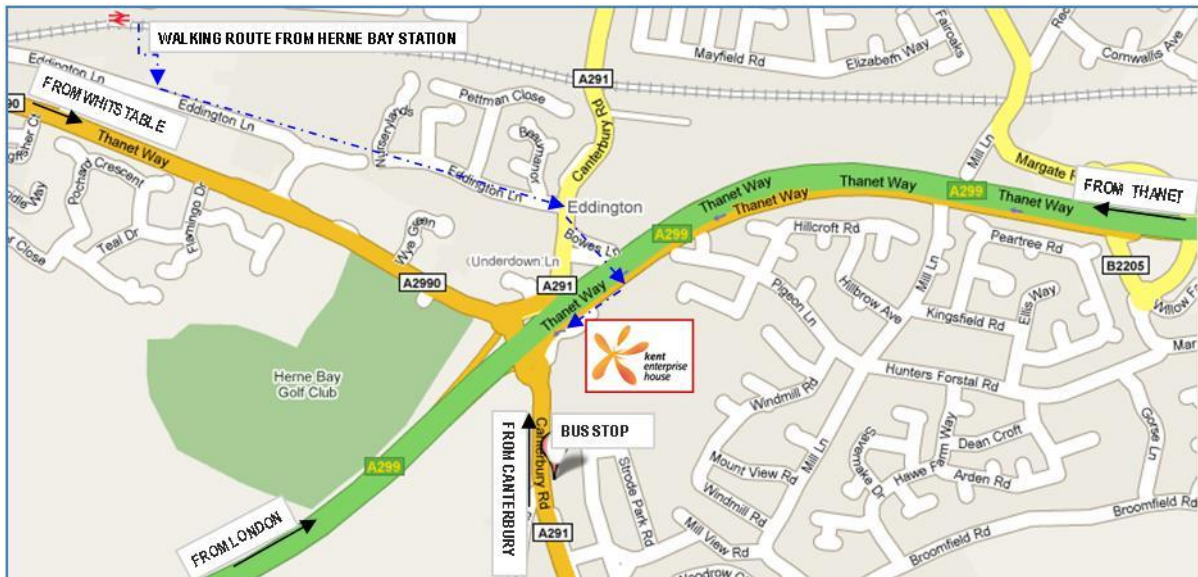

We encourage car sharing, this in turn helps to reduce demand on parking as there are limited spaces which are allocated on a first come first served basis. Therefore please allow enough time to find alternative parking should the need arise.

We do have limited number of bookable spaces for event organisers and for anyone with a blue badge disabled parking permit.

Please contact Samantha Hadlow on **01227 844544** or by e-mail s.hadlow@enterprisingopps.org.uk for further details.

This document will guide you through many ways of finding us; however should you need further help on the day of your visit please **call Trevor on 07710 004562** who will happily assist.
